**MOTION TO COMPEL JUDGE CRONIN  
TO PRODUCE HIS CAMPAIGN FINANCE REPORTS**

Now comes the Plaintiffs Pat Foster and Blanche Hudson to request that this Court affirm our request to Judge Cronin to produce his campaign finance reports and compel him to produce them under MCR 7.211(A)(3) and MCR 2.313(A)(2)(d). The Court correctly removed himself from hearing our Motion to Compel him to produce his

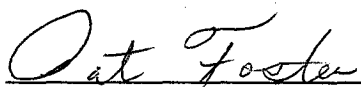

campaign finance reports in his (A) Sua Sponte Order in #2 of his order when he stated:  
"A final order disposing this case was filed on June 6, 2015."

Plaintiffs bring this motion before this court and we have attached a copy of the original request to produce and a brief in support of our motion.

### PRAYER FOR RELIEF

Plaintiffs request that the Court compel Judge Cronin to comply with our Request to Produce his campaign finance reports for the period starting September 1, 2013 to March 15, 2016 and copies of his campaign finance bank statements for the same period to verify the list of contributions.

Thank you!
